

- ✓ Can your company benefit from photonic innovations?
- ✓ Are you looking for product innovations through micro-photonic solutions?
- ✓ Would you like to turn your optics innovation idea into a proof-of-concept demonstration?
 - ✓ Are you looking for micro-optics experts who can help you to realize this at no cost and without investment risk?
 - ✓ Would you like to access top-technology photonic platforms with mass-production capabilities?
 - ✓ Are you looking for an individual intensive training in cutting-edge photonic technologies?

MOST**

ACTMOST INDUSTRY WORKSHOP

Learn how the European access centre “ACTMOST” can facilitate your industrial product innovations through micro-photonic technology support, services and trainings – free of charge*.

ACTMOST is a consortium of 14 high-tech research laboratories from 6 European member states that have joined forces to become a unique **"one-stop-shop" solutions provider** for micro-photonic technologies. ACTMOST will provide European companies with timely, cost-effective, and investment-free access to professional, cutting-edge micro-photonic technologies and knowledge to support the development of new products.

Be the first to hear about the opportunities at the “ACTMOST Industry Workshop” !

ACTMOST will organize its first workshop for Industry on **December 3rd 2010 in Brussels, Belgium**. During a half day program, you will learn more about the different opportunities and added value that ACTMOST can provide to your company. This workshop is **FREE** and is open to all European companies interested in product innovation with micro-photronics. The agenda is as follows:

- 9h30-10h00 Registration and welcome coffee
- 10h00-11h00 General introduction of the ‘ACTMOST’ support model
- 11h00-11h15 Training support: “In-house hands-on training to acquire special competences in micro-optic technologies.”
- 11h15-11h45 User projects: “Support in product innovation through advanced micro-optics and micro-photonic technologies.”
- 11h45-12h00 Testimonial from industry
- 12h00-12h30 Questions and answers
- 12h30-14h30 Walking lunch and informal discussions with ACTMOST’s experts

If you plan to participate in this workshop, please register **online** at www.actmost.eu and you will soon receive more detailed information about the location of and directions to the event.

We look forward to welcoming you in Brussels!
